During Camp:

Grouping
Campers will be separated into two to three groups based on age during high-enrollment weeks (40 campers or more).
If two groups:
  ■ 6-8 year olds are Cubs
  ■ 9-12 year olds are Lions
If three groups:
  ■ 6-7 year olds are Cubs
  ■ 8-9 year olds are Little Lions
  ■ 10-12 year olds are Lions

We create this structure so that games and activities have appropriate participant numbers and so that campers get to play with peers of comparable age and skill level.

It is very important that the campers stay in their designated group for safety reasons. If there is a request to switch groups to keep friends together or for any other reason please contact the Camp Director before the first day. Changing groups mid-week will only be allowed for special circumstances with the Camp Director’s approval.

Visiting
■ Due to the short length of our weekly sessions, we do not allow visits to campers.
■ If parents wish to drop a forgotten item off at camp, please call before coming and plan to leave the item at the Camp office on the 3rd floor of Dodge, room 331.

Building Safety
Your child’s safety is our first priority, so we ensure that our campers are under staff supervision at all times. We share our facilities with patrons, coaches, athletes, and administrative staff; therefore it is extremely important to remain as a group. In order to prevent separation of campers and counselors, we implement the following policies:
■ Require campers to stay with their group at all times
  ○ This means no solo bathroom trips are allowed
■ Regular role call
■ Provide campers with wristbands that include the camp name, address, and important phone numbers.
Communications:

Camp Communications:
- Campers missing forms will be reminded the week prior to camp.
- A reminder email will be sent the Friday before each camp week starts, specifying pick up/drop off times and other news.
- Camp staff will send out a weekly newsletter the last Friday of camp.
- Private social media groups will post updates on activities after the camp day- look for fun pictures or activities!
- The Camp Director, Assistant Directors, or Athletic Trainer on staff may contact parents via phone or email if there is a concern regarding the well-being of a camper.

To update pick up or drop off:
- Please email the camp director or assistant camp director as soon as you are aware of a change.

To check in on your camper:
- Please feel free to check in. However, emails and phone calls of this nature are preferred either during lunch hours or after the camp day ends.

Urgent Issues:
- Call the camps office at 212-854-2233.
- If no response, contact either the physical education office at 212-854-3439 or front desk at 212-854-7149.
- Please email the camp director or assistant camp director as well.

Birthdays
- We love it when a child’s birthday falls during their camp session!
- We have the campers sing “Happy Birthday” in a group during snack time.
- If you would like to mark the occasion by providing food, that’s great! We ask that it’s for the whole group (ask a staff member for enrollment size), is store bought, and is nut free.

Daily Schedule
- Here are some of the activities campers will experience throughout the camp session:
  - Arts & Crafts, Swimming (Dodge only), Tennis (Baker only), Basketball, Capture the Flag, Soccer, Tag Games, Track Relays, Trivia, Dance, Yoga, Dodgeball, Ga Ga Ball, Squash, Kickball, Modified Rugby, Wiffle Ball, Handball, Momentum and many more!
  - Swimming takes place 4 out of 5 days for sessions at Dodge Fitness Center.
  - Tennis takes place 4 out of 5 days for sessions at Baker Field.
  - Private Swim lessons are available through our Aquatics Director. Contact Camp Director Anne Marie for more information.
  - We always consider camper preferences during choice time. However, we also try to introduce campers to new games, which means not all suggested
games are played.

- We promote imagination by structuring time that allows campers to create and implement new games.

Meals and Snacks

- Campers are not allowed to use the Dodge Fitness Center vending machines during camp. They may only use them during drop-off and pick-up with a parent or guardian.

Lunch:

  - Dropping of lunch mid-day will only be permitted in emergencies.
- Reheating food is unfortunately not an option- there is no microwave available for camp use.
- Please pack cutlery if your child’s lunch requires it. We do our best to make sure campers eat all of what you pack for them, and having the appropriate utensils makes this task easier for us.

Snack:

- Campers receive a nut-free snack every day, usually during arts & crafts. Snacks are also provided during post-care.
- Snacks are not gluten free
- We realize that campers don’t always like the snacks we provide. If this is the case with your camper, we encourage you to pack extra food or snacks.

Health

All parents are required to fill out the Waiver Forms and Health Forms so that the camp staff has access to all medical information and emergency contacts.

When to Keep Your Child Home from Camp

Here are some guidelines to help you make the best decision. If your camper meets any of the following criteria, he or she should stay home:

1. A temperature that is over 100 degrees. Children should be fever free for at least 24 hours before coming or returning to camp.
2. Vomiting and diarrhea within the past 24 hours.
3. A positive throat culture for strep. Campers that have had strep should be on an antibiotic therapy for 24 hours before returning to camp.
4. A red eye with white or yellow eye drainage with matted or crusted eyelids after sleep.
5. Runny nose accompanied by a headache, nausea, fatigue, difficulty concentrating.
6. Any rash (unless determined to be non-communicable by physician).
7. Head Lice. After campers have undergone treatment and been checked and cleared they may return to camp.
8. Chickenpox, (Varicella). Campers may return to camp after all lesions have cleared (usually about 6 days after onset).
9. Pertussis. Campers may return to camp after 5 days of antibiotic therapy.
10. Impetigo (bacterial skin infection). Campers may return to camp after 24 hours of treatment.
IMPORTANT: These guidelines should help parents determine if their child should attend camp or other activities. Your child should look and behave like him/herself for 24 hours before returning to camp. A sick child who returns to camp too soon is at risk for picking up other infections due to lowered immunity, and is likely to infect other students and staff. All immunizations must be up to date before campers come to camp.

- The Athletic Trainer will screen all campers who arrive at camp. If the trainer finds that a camper has a suspected health condition that may interfere with the camp program, the camper’s schedule may be sent home until he or she is free of or cleared of that health condition.

Medication
- We ask that all medications (prescription or over-the-counter), vitamins, and supplements that your camper is taking be disclosed on the medical information form.
- Please bring all medications including inhalers and epi-pens on the first day of camp.
- All medications besides epi-pens and inhalers are stored in the Camp Director's office.
- Our athletic trainer will not administer medicine to a camper. The athletic trainer or camp staff can witness the self-administration of medicine by a camper. The campers must be “self-directed” and be able to readily identify the correct medication, its purpose, the correct dosage, and the appropriate time it is to be taken.
- Emergency medication such as an asthma inhaler, will be with the athletic trainer who is near the campers at all times.

Emotional Health:
- Our goal is to provide a safe community for all campers, so please take the time to discuss the code of conduct with your camper prior to camp
- **Bullying of ANY kind is not tolerated** at camp or outside of it (such as cyberbullying)
